

iEnergy North America & The Fort Bend Chamber of Commerce to Host Ribbon-Cutting Open House

Sugar Land, TX. – The iEnergy North America team (iEnergyNorthAmerica.com), located at 16400 Kensington Drive in Sugar Land, will be hosting a ribbon cutting open house from 4:30 pm to 7:30 pm on Wednesday, November 9th. The Ribbon cutting will be at 4:30 pm by The Fort Bend Chamber of Commerce.

Community members are invited to attend and have the opportunity to meet the iEnergy North America team. Hors d'oeuvres and beverages will be served by Affairs with Flair. Reservations are not required. Media personnel can contact Chief Marketing Officer, Kamal Verma at KVerma@iEnergyNA.com to make any special arrangements for specific interviews and/or photographs at the event. For more information, please call iEnergy North America at 800.841.0656.

President, Jeremy Gutierrez is eager to welcome members of the Fort Bend community to the iEnergy North America offices. Gutierrez states, “Guests will have the opportunity to meet with the iEnergy Team, eat some great food, and learn about the many ways our company provides customized energy solutions.”

He further adds that, “iEnergy North America is proud to be headquartered in one of the most dynamic and rapidly growing counties in the nation. We look forward to becoming an active participant in the community while working with our neighbors to make Fort Bend even better. Our mission is to eliminate the complexity from Energy Management and help businesses not only reduce their cost of business, but also help make energy an asset.”
